

RING SIZE GUIDE

IMPORTANT: PRINT AT 100%

BEFORE YOU MEASURE:

- Be sure to measure your finger in a warm temperature - preferably at the end of the day.
- Print this document at 100% to make sure sizing is accurate.

HOW TO MEASURE:

- Find an existing ring that fits you or the person you're buying a ring for.
- Find the closest match by placing the ring over the circles to the right.
- If you're in between sizes, we recommend rounding down. This is due to the flexible nature of the rings.

RETURNS & EXCHANGES:

- If the ring you order doesn't fit right, don't worry! We'll exchange it for another size at no cost to you.
